

A diagram of a rectangular card with a 5 mm bleed area. The card is white with rounded corners and a dashed border. A solid blue line indicates the inner dimensions: 101 mm wide and 151 mm high. A dashed line indicates the outer dimensions, which are 5 mm larger on all sides. A dimension line in the top-left corner shows a 5 mm radius (R/5 mm) for the rounded corner. At the bottom, there is a warning: 'Text no further than here' and 'Finished item will be cut here' with a downward arrow pointing to the dashed line. Below this, it says '5 mm bleed'.
