

86 mm

The diagram shows a white rectangular label with rounded corners on a green background. A dashed line indicates the final cut line, which is 5 mm from the edges of the label. A solid blue line indicates the dimensions of the label: 140 mm wide and 86 mm high. The corners are rounded with a radius of 3 mm. Text is placed within the label, with a note indicating that text should not go further than the dashed line. A 5 mm bleed is also indicated at the bottom.
