

A diagram of a rectangular card with rounded corners. The card is white with a blue border. A dashed line indicates the inner dimensions of the card. A solid blue line indicates the outer dimensions, including a 5 mm bleed. The dimensions are: width 54 mm, height 86 mm, and corner radius R13 mm. At the bottom, there are two horizontal lines: a dashed line for the finished item and a solid line for the cut line, with a 5 mm bleed between them.

R13 mm

54 mm

86 mm
