

A circular diagram on a light green background. A solid blue line forms the outer boundary of the circle. Inside it, a dashed grey line forms a smaller circle. A horizontal blue double-headed arrow spans the width of the solid blue circle, with the text "69 mm" centered above it. At the bottom of the diagram, there are three lines of text with arrows pointing downwards: "Text no further than here" with a dashed line above it, "Finished item will be cut here" with a dashed line above it, and "5 mm bleed" with a dashed line above it. The dashed lines represent the 5 mm bleed area.
